

Hanseatic Dynamical Systems Days

The second Workshop on Dynamical Systems & Ergodic Theory in Northern Germany
will take place on
Friday, November 23, 2018
at the University of Lübeck, Institute of Mathematics

The goal of the workshop is to enhance connections, collaborations and exchange of ideas within the Dynamical Systems & Ergodic Theory community in Northern Germany. The one-day workshop is a recurring event, taking place twice a year. Participants are kindly asked to register using the registration form at

<https://sites.google.com/view/handsdays2/registration>

Registration is free of charge. In case of questions please contact handsdays@gmail.com.

Speakers

Walter Bergweiler (Christian-Albrechts-Universität zu Kiel)

Tim Gutjahr (Universität zu Lübeck)

Maxim Kirsebom (Universität Hamburg)

Claudine Leonhard (Christian-Albrechts-Universität zu Kiel)

Keivan Mallahi-Karai (Jacobs University)

Ivan Ovsyannikov (Universität Hamburg)

Organizers

Sabrina Kombrink (Universität zu Lübeck / Georg-August-Universität Göttingen)

& Andreas Rößler (Universität zu Lübeck)
